

Please join us for this year's 9/11 Memorial Ride, to remember those emergency service personnel tragically lost on September 11, 2001.

SOME GAVE ALL
ALL GAVE SOME

On Tuesday, September 11th, 2007, members of all Emergency Services will ride en masse to the Peace Arch border crossing in tribute to the New York police, fire, and ambulance personnel who lost their lives in the horrific attack on the Twin Towers. We would be thrilled to have you join us for this ride and Remembrance service, to honour the bravery and dedication of emergency personnel and members of the public who were lost in this tragedy.

We hope that we can count on your support. Please contact me if you need further information.

Sincerely,

Guy Morral
Ride Coordinator
